

Pulteney Bridge
Closed to all vehicles.
Pavements widened and
setts relaid in carriageway.

Lighting
Free-standing streetlights
replaced with wall-mounted
lights. Additional ambient
light could come from
floodlighting the Guildhall.

New Bond Street
Pavements widened and
roadway reduced to single
lane. All traffic routed up
Broad Street with southbound
returning via Saracen Street.

High Street
Closed to vehicles except
restricted off-peak access
for delivery vehicles.
Setts restored in roadway.

Clutter
Simplified bus-gate minimises
need for road markings. Parked
vehicles removed from front of
buildings. Traffic lights set back
to provide uninterrupted view
from Northgate Street to Abbey.

Cheap Street
Access to Westgate
Street, Sawclose and
Upper Borough Walls
unchanged. Setted
carriageway for
traffic calming.

Orange Grove
Right-turn, access for
bus-gate traffic only.
Left-turn to Cheap
Street, as now.

Terrace Walk
Buses for Bathwick
and University,
routed via North
Parade Bridge.

Pavements are generally a
minimum of 3m wide, bus
and parking bays 2.75m.
